Chapter 1 by Gabbathehutt

I'm a black widow. My name is Fred. Nobody likes me and they try to swat me away. I want to play with them but my bite is poisonous and I drool. I sometimes get called Fred the Bulldog because of my ridiculous drool. One day I met a kid named Jamie. He was very nice and loved to play with me. I got so excited one day that I bit him. I tried to ignore all the screaming and yelling, but all I could do was stand there and drool.

Chapter 2 by Gabbathehutt

I waited countless hours to see if anyone had found the poor boy's body. Finally somebody came in and scooped the lifeless body up. They probably didn't know it but he was surely dead. That night I cried. I didn't even know I could cry, it just came out. I felt the hairs on my body prick up. I looked around just in time to see a woman with a broom poised in her hand. I ran, and ran, and ran until I stopped. I felt something slam into my body and everything went black.

Chapter 3 by Gabbathehutt

I woke up to find my abdomen was crushed and my skull was throbbing. Here we go again. Everything went black again

Chapter 4 by intellikat

It was like the disco, but less fun.

I woke up in my web at home, safe and sound. I knew it was a dream! My abdomen didn't hurt. My whole body was fine. Best of all Jamie was curled up on his bed sound asleep. I thought my life was back to normal but it wasn't. As it turns out. My body still hurt and I was sitting in the windowsill and looking at Jamie's rotting body. "How come no one picked his body up?" I thought. I ran for the door and sprinted to the airport. I boarded the plane to Brazil. I was flying to Brazil safe and sound on the plane, when all of the sudden the plane was spiraling toward the ground.

Chapter 6 by jeffyb

I knew it was the end for everyone on the plane. I had squeezed into the cockpit to see that both pilots were dead. Crawling from one of the corpses was another black widow.

She smiled and softly said, "You can't outrun your destiny Fred."

Chapter 7 by intellikat

The plane hit the ground and exploded upon impact. Again, everything went black.

Chapter 8 by intellikat

I woke up in Spider Hell(tm).

There was the other black widow spider who I had seen on the plane. She was looking at me seductively. I began to think that perhaps this place wouldn't be so bad after all.

But then, a giant broom came crashing down on my head and everything went black once again. I was reincarnated as... guess what? A black widow spider.

Egads, man!
